

**REMARKS**

In the specification, the description of  $X^2$  at page 6, lines 31 to 34 has been deleted. It was not consistent with the main definition of  $X^2$  at page 3, lines 26 to 27. The description of  $X^5$  at page 7, lines 4 to 5 has been amended to conform to the main definition of  $X^5$  at page 4, lines 5 to 6 and in Claim 1. At page 7, line 6, the description of  $X^6$  has been deleted, since there is no  $X^6$  in formula I.

An abstract has been provided, to replace the abstract removed during the international stage.

The claims, which had originally been drafted to meet the formal requirements of international patent practice, have been amended without prejudice to accord with the formal requirements of United States practice.

Claim 4 has been made dependent on Claim 2 and Claims 5 and 15 have been made dependent on Claims 4 and 14 respectively.

Claims 16 and 17 have been canceled.

In Claims 18 and 19, the term  $R^2$  has been corrected to read  $R^4$ , consistent with Claim 1 and the specification at page 7, lines 7 to 12.
